2.0 Print Screen of MySQL Database Design, Tables, and Columns with Sample Data

This screenshot shows the phpMyAdmin interface for the 'polumpung' database. The left sidebar displays the database structure, including tables like 'additional_services', 'admin', 'faq', 'payments', 'reviews', 'services', 'users', 'poma', and 'salesco'. The main panel shows the 'Structure' tab for the 'additional_services' table. It lists columns: 'service_id' (INT(4) UNSIGNED ZEROFILL), 'service_name' (VARCHAR(255)), 'service_price' (DECIMAL(10,2)), and 'availability' (ENUM('available', 'sold out')). Below the table structure, there is a 'Create new table' form with fields for 'Table name' and 'Number of columns' (set to 4).

This screenshot shows the phpMyAdmin interface for the 'polumpung' database, displaying the data of the 'additional_services' table. The main panel shows the 'Data' tab. It displays a table with 9 rows and 4 columns: 'service_id', 'service_name', 'service_price', and 'availability'. The data is as follows:

service_id	service_name	service_price	availability
1	Swimming	20.00	available
2	Compsite	50.00	available
3	Rafting	30.00	available
5	BBQ Parties	40.00	available
6	Fishing	15.00	sold out
7	Service A	19.99	available
8	Service B	29.99	sold out
9	Service C	39.99	sold out

Below the table, there are options for 'Query results operations' (Print, Copy to clipboard, Export, Display chart, Create view) and a 'Bookmark this SQL query' section.

This screenshot shows the phpMyAdmin interface for the 'polumpung' database, displaying the data of the 'admin' table. The main panel shows the 'Data' tab. It displays a table with 1 row and 4 columns: 'id', 'username', 'email', and 'password'. The data is as follows:

id	username	email	password
1	Admin	admin@email.com	admin123

Below the table, there are options for 'Query results operations' (Print, Copy to clipboard, Export, Display chart, Create view) and a 'Bookmark this SQL query' section.

Module 9 - Review

a. Add Review

The screenshot shows a web application interface for adding a review. The page has a dark sidebar with 'Explore', 'Profile', 'Booking History', and 'Reviews' links. The main content area is titled 'Reviews' and contains a 'Write a Review' form. The form has a text input field with the placeholder 'Good!', a rating selector showing 'Selected Rating: 4' out of 5, and a green 'Submit Review' button. Below the form is a section titled 'Your Review History' which currently displays 'No reviews found.' The background of the page features a scenic image of a river flowing through a forested area.

b. View Review

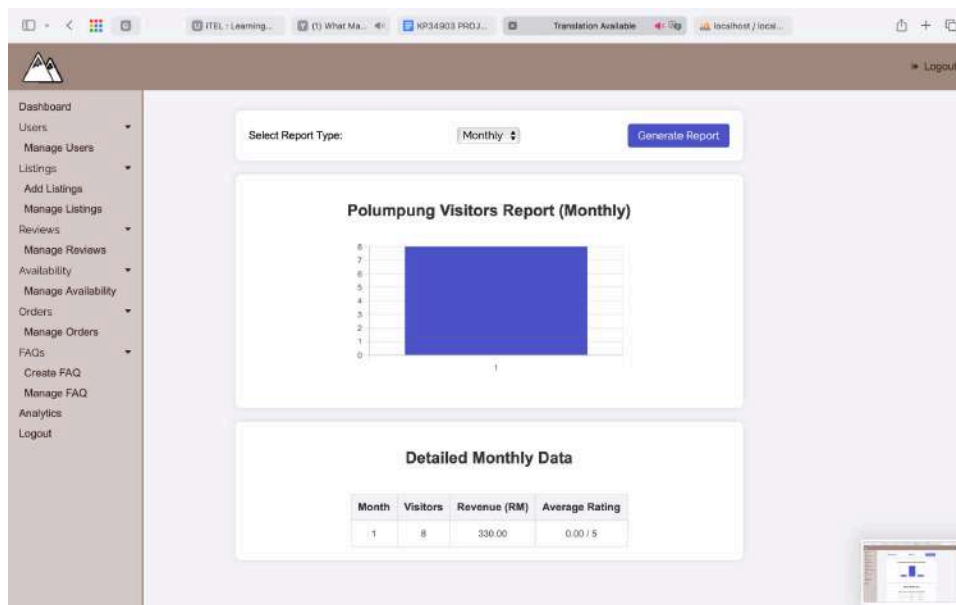

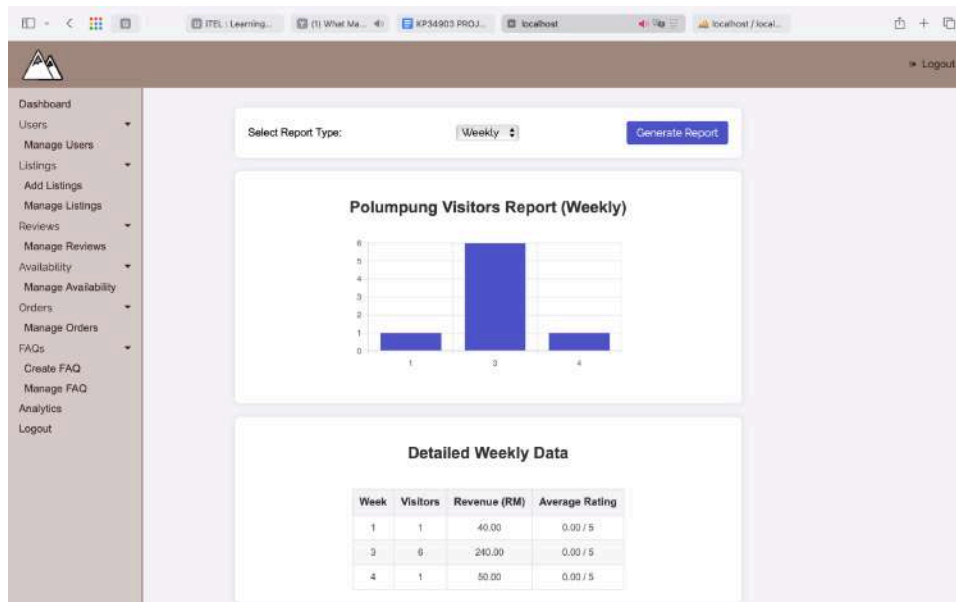

The screenshot shows the 'View Review' form in the same web application. The 'Write a Review' section now has a text input field with the placeholder 'Share your experience...'. The rating selector shows 'Selected Rating: 3' out of 5. The 'Submit Review' button is still present. The 'Your Review History' section now displays a list of reviews with the following details: Review ID: 2, Username: carla, Review: Good!, Rating: 4/5, and Posted On: 2025-01-24 23:11:43. The background image remains the same scenic river scene.

c. Remove Review

The screenshot shows a web application interface for managing reviews. The page has a dark sidebar with a 'Logout' button. The main content area is titled 'Manage Reviews' and contains a table with the following data:

ID	User ID	Username	Review Text	Rating	Created At	Actions
1	5	Spider	cool	3	2025-01-24 16:14:11	Delete
